MERRY Sexmas!

It's time to empty your sack

YEAH, we know – Christmas is bullshit. Jesus was actually born on Anzac Day, Santa's an old paedo, and anyway, it's all just a plot by the department stores to suck your wages out of your wallet and transfer them to a SWISS BANK.

But we can get through it together. Grab a few coldies, settle in on the couch with Tessa – that's her above – and her WORLD-BEATING TITS and stay with the program until all this jingle bell shit dies down.

We've got your back. **Picture**

AND NOW FOR THE SAD NEWS...

Readers, we hate to bring ya the news, but from next issue THE PICTURE won't be available from Caltex service stations anymore. Their call.

So we recommend you buy your petrol somewhere else, so you can still pick up your fortnightly issue and fill up at the same time instead of having to make two stops. Makes sense, eh.

AND A BAPPY NEW YEAR!

CZEC pleas

Prague stunna loves her world-beating whoppers

KATERINA Hartlova's rack is like Steven Bradbury's gold medal-winning effort at the Winter Olympics: no matter how many times you see it, you NEVER get sick of it.

Fortunately, the CHESTY CHAMPION never gets tired of showing it to us either, and has even starred in such nork-themed splooge fests as *Big Titty Lesbians, Hooter Hotel* and *Jizz On My Jugs*.

"I've made a lot of films and had a lot of fun doing it," admits the proud owner of those amazing hooters. "But I mostly just do them with my boyfriend now."

Do you have any interests outside of making award-winning FUCKUMENTARIES?

"Yes, lots of interests, but the great thing about porn and doing nude photos is that I get to express myself. And it's also a lot of fun."

What's the best thing about having huge norgs?

"I guess all the attention I get.

H,

e!

“I LIKE BOTH MEN AND WOMEN”

Both men and women love them, which is fine because I like both men and women."

How should people treat the twins?

"I like lots of sucking and a little bit of biting – but not too hard. I don't mind when a blow job turns into a titty fuck either."

So you've had a few pearl necklaces?

"I think I know what you mean. Yes, I've had a few of those. Having big boobs really helps when doing that."

Your favourite rooting possie is...

"With my boyfriend I love doggy style. He knows how to pleasure me better than anybody else.

Hopefully we will fly to Australia someday for a holiday and I can flash my boobs down there. "

Good luck getting those things through airport security! Picture

MIAMI!

NEWS FLASH

THIS SHIT REALLY HAPPENED!

FEELING TOWY

SHANE SWANCOTT of Newcastle, NSW, was busted by a highway patrol car using a mobility scooter to tow his five metre-long boat along the Pacific Highway. "I lost my license and at the same time I'd finished fixing up my boat," said Shane-o. "I was going to push it down by hand, but then I thought: 'why not use this?'" Why not, mate? Try charges for driving while disqualified, using an unregistered vehicle on the road and using an unregistered trailer on the road. Shane appears in court in January.

NECK AT LARGE!

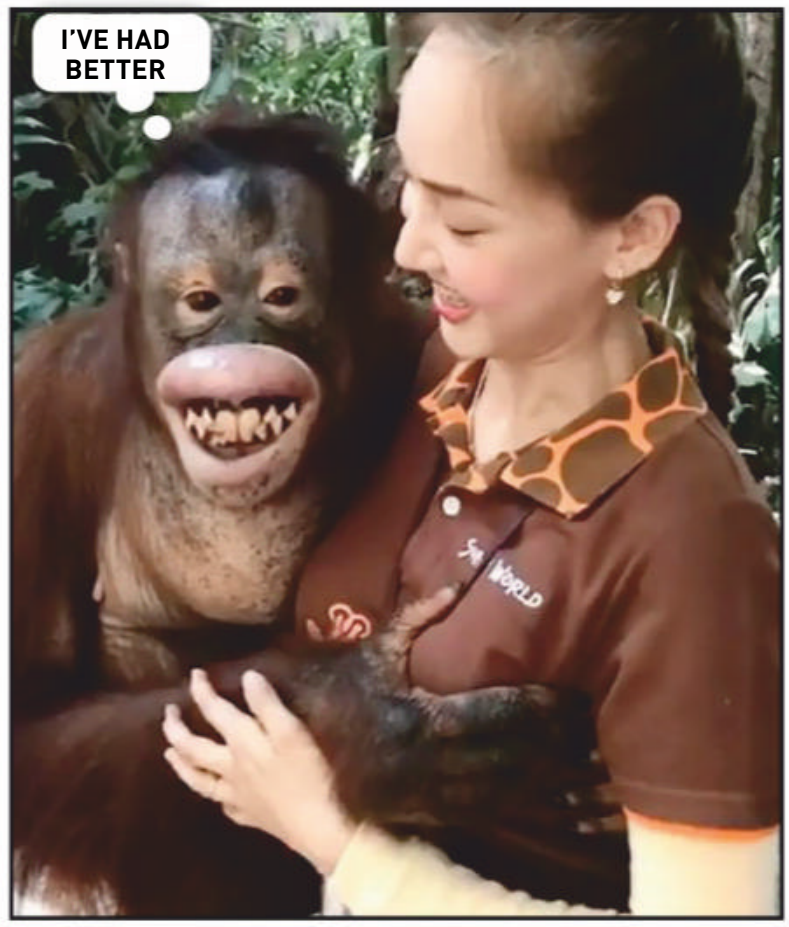
THIS Seppo drug dealer can run, but he can't hide – not with a neck like that. Florida cops posted Charles McDowell's mugshot on their Facebook page and internet jokers have been giving Chuck shit about it ever since. "Dude is up to his neck in charges," wrote one comic genius. "That neck tattoo cost $6000. They charge per square foot," JAPED another, while a third posted "They caught him just in the NECK of time." Chuck is now back in custody in Escambia County, Florida, facing bulk drug-related charges.

NUN BETTER!

A FORMER trainee nun reckons becoming a porno webcam girl won't interfere with her chinwags with God. Columbian spunk Yudi Pineda, 28, still goes to church three times a week, but has to work it into her busy schedule of JILLIING OFF on camera for dosh. "I never miss Friday prayers, Saturday meetings or Sunday mass," reckons Yudi, who spent eight years at a convent getting ready to be nunnified. She reckons her webcamming is beautly artistic and that the big fella wouldn't mind. "At first I was feeling bad, but now I am fine with it," she says. We bet there's a queue to hear her confession!

WORLD'S BIGGEST COCK!

THIS bad boy could be the biggest cock we've ever seen. The 7.7kg, 90cm-tall cockerel called Merakli is one of a breed called Brahma chickens and lives on a farm in Kosovo, in the Balkans, where he stomps around like a king of the barnyard, beating up the other animals and fucking heaps of hens. His owner reckons his is the biggest cock in the world, but then again, everyone reckons that after they've had a few.



MONKEY BUSINESS

WE DIDN'T know Harvey Weinstein was living in a zoo in Bangkok! No, hang on... turns out this ISN'T the infamously handsy Hollywood producer, but actually an orangutan called Ning Nang, who apparently has a thing for zoo worker Sunan's NORKS. Ning Nang was caught with his hand in the cookie jar, as it were, while he and Sunan were giving a demo to tourists. He looks pretty happy about it. Then again, so did Harvey.

KEEP YA CHIN UP

NO, IT'S not the winner of a Jay Leno look-alike contest – this bloke is suffering from a FUCKED condition called ameloblastoma which has caused a YOOJ tumour to grow in his lower jaw. Docs reckon it kicked off when Leonardo Moris took a belt to the mouth playing basketball as a teenager in the Philippines, then the tumour started to develop when he was 23. Now 30, and despite being in a lot of pain, he's still working as a builder's labourer trying to save the $10,000 for the operation to fix it, with friends and family kicking in to help.

WE DREW A COCK ON IT #333

DOG ACT

Paddy pooch pinches owner's pint!

NOW, we're not RACISTS – ask anybody – but it's a well-known FACTOID that our Irish cousins like a drink or nine.

And, apparently, so do their dogs.

Some NOSEY BASTARD happened to be wandering past the Errigle Inn, in Belfast, Northern Ireland, when he noticed this pooch ob its own, kicking back with a beer at an outside table.

And fair enough too, he thought. After all, a dog's not a camel.

But then it occurred to the bloke that this dog didn't have a wallet in which to carry cash or credit cards, so therefore could not have paid for the beer itself.

And what's more, he observed it was a Japanese shiba inu, a breed that typically only lives for about 12 to 15 years, and therefore was EXTREMELY UNLIKELY to be of legal drinking age – even in Ireland, where they tend to hit the piss young.

And FURTHER-FUCKEN-MORE, he noticed that before taking a slurp of the life-giving suds, the mutt had a neaky, furtive look around, as if it was feeling GUILTY about something.

It was pretty obvious the dishlicker was necking its owner's ale while the poor bloke – OR SHEILA, let's be fair – was inside having a slash, or buying a leprechaun a shandy something.

So the bloke took these couple of snaps, and we bring them to you to highlight the heart-breaking tragedy of financially deprived, underage, Japanese dogs getting on the turps in Irish pubs.

Because we have a social conscience, readers. Really. We fucken DO. ■Picture

LIVIN' LARGE

World's tallest bloke meets world's shortest woman

NORMALLY, Sultan Kosen and Jyoti Amge probably wouldn't be getting together like this.

Not just because he's from Turkey and she's from India, but because if they DID happen to meet each other she'd be talking to his KNEECAPS, while he'd be barking in the breeze 190cm over her head.

Y'see Sultan, at 2.5m, is the world's tallest man, while Jyoti, at just over 61cm tall, is the world's SHORTEST WOMAN.

But somehow when the Guinness Book of Records people brought them together in Egypt, the pair immediately saw EYE-TO-EYE.

We reckon it's because they can identify with each other's problems – like, Sultan is always the first to get wet when it's RAINING, while Jyoti tends to panic when the weather forecast predicts FLOODS.

Maybe they could get together to form the world's wackiest BEACH VOLLEYBALL TEAM – that'd be a hoot, eh.

At least they'd never get the shits because one borrowed the other one's clothes, right?

YOU'RE JOKING

100% POLITICALLY INCORRECT!

MY WIFE and I were sitting at a table at her high school reunion, when she kept staring at a drunken man swigging a beer as he sat at a nearby table.

"Do you know him?" I asked her.

"Yes," she sighed. "He's my old boyfriend. I understand he took to drinking right after we split up those many years ago and hasn't been sober since.

"Wow!" I said. "Who would think a person could go on celebrating for so long?"

CHOOK, VIA EMAIL

Q. WHAT DO YOU DO IF AN IRISHMAN THROWS A PIN AT YOU?

A. RUN, HE'S GOT A GRENADE IN HIS MOUTH.

K.C., QUEENBEYAN, NSW

PETER loved to drink at his local pub, but his wife wasn't happy about it. One night, he was there and got absolutely shitfaced. After a few hours he tried to stand up, but immediately fell to the floor. He tried a few more times, but each time he hit the deck.

Other punters offered to help him, but he refused. Finally he ended up dragging himself home and sneaking into bed, thinking his wife would never catch him.

The next morning, his wife says, "Pete, you fucken idiot! You were drinking at the bar last night, weren't you!"

Peter was confused, "How did you find out?"

"The bar called," she said. "You left your wheelchair there."

O.L., WELLINGTON, NSW

A RICH man and a poor man are discussing what they bought their wives for their birthday. The rich man says, "I bought my wife a BMW and a diamond ring. That way if she doesn't like the diamond ring she can take it back in her BMW and she'll still be happy."

The poor man responds, "I bought my wife a pair of slippers and a dildo. That way if she doesn't like the slippers she can go fuck herself."

B.E., SYDNEY, NSW

THE other day I read in the paper, 'A woman has been murdered in Melbourne by a 38-year-old man who has not been named.'

I thought, 38-years-old and he still hasn't been named? What's everyone been calling him all this time?

G.S., MAITLAND, NSW

JOE has a broken leg. His friend Mike comes over to his house to check on him.

Joe says, "Do you mind getting my slippers?"

Mike goes upstairs and sees Joe's smoking hot 18-year-old twin sisters, and says, "Joe sent me up here have sex with both of you."

One of them says, "Prove it."

So Mike shouts downstairs, "Both of them?"

Joe yells back and says "What's the point of fucking one?"

K.D., FREMANTLE, WA

Q. WHAT HAS 100 BALLS AND FUCKS FERAL CATS?

A. A SHOTGUN.

JOKE OF THE WEEK

WINS $100

A WOMAN brings her pet duck into the vet's office. The lady gently lays her duck onto the table and tells the vet her beloved pet is sick.

The vet examines the motionless animal. After just a few seconds the vet takes a step back and says, "I'm sorry ma'am, but this duck is dead."

"What? You've barely examined him!" exclaims the woman. "Is there anything else you can do?"

The vet reluctantly proceeds to the door, opens it, and leads in a large dog which sniffs the duck up and down. It doesn't move, and the dog nods his head.

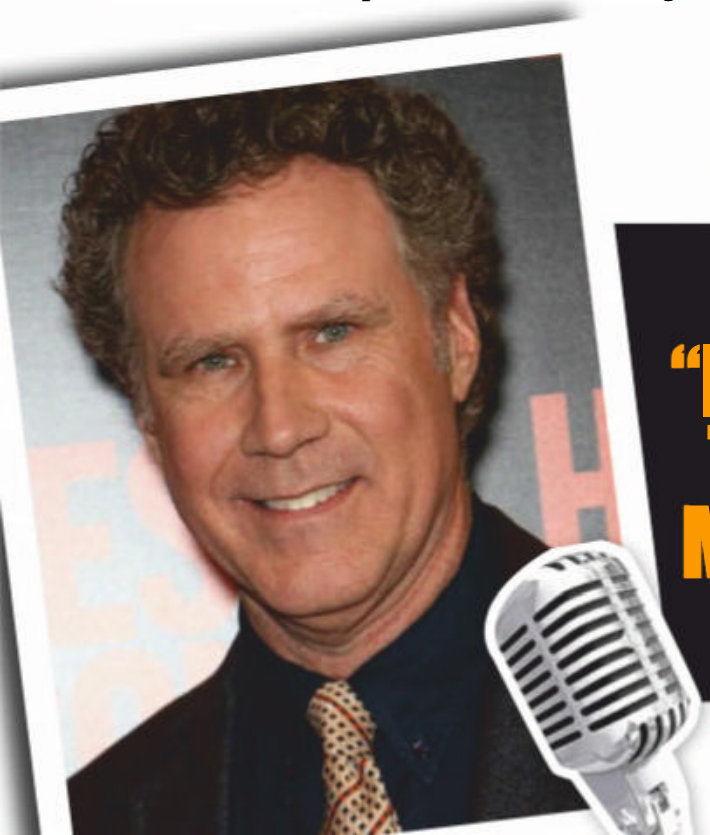
The vet leads the dog back out of the room and returns with a cat, which in a similar fashion sniffs the duck up and down. It still isn't moving. After a minute or two, the cat jumps off the table, walks to the vet, and nods his head.

The vet hands the woman the bill and tells her, "I'm sorry, but your pet is dead, there's nothing more we can do."

She sees the amount. "How are you going to charge me 120 dollars for just telling me my duck is dead?"

"Well, it would have only been 20 dollars if you would have taken my word for it, but the lab test and cat scan cost extra."

TOM, VIA EMAIL



QUOTE OF THE WEEK

THE PROFESSIONAL

SEPPO FUNNY BLOKE: BILL BURR

"Having a dick is one of the most dangerous things on the planet. How many people are eaten by sharks each year? How many guys lose everything they've got because of their dick? Yet the Discovery Channel has Shark Week every other fucking month. Why doesn't it have Dick Week? That would be the scariest seven days in the history of television."

"PITBULLS ARE LIKE A GUN YOU CAN PAT."

"I gotta tell you, I'm envious of women. I'm not saying your problems get solved but at least they're taken seriously. There's 1-800 numbers, there's ribbons, there's groups – people give a shit. Anything happens to a guy, it's just considered funny."

"A GOOD STORY IS ALWAYS YOU DOING SOMETHING WRONG, YOU KNOW? THAT'S WHY NICE PEOPLE ARE SO DAMN BORING. I MEAN, THEY'RE NICE, BUT THEIR STORIES SUCK."

"Nothing worse than when a 6 acts like a 10."

THE JOKE'S ON YOU

THIS WEEK: OSAMA BIN LADEN

TEN YEARS. TRILLIONS OF DOLLARS. THOUSANDS OF SOLDIERS DEAD. STATE-OF-THE-ART TECH. AND THE US FINALLY FOUND BIN LADEN... IN HIS HOUSE.

"Bin Laden lived in this compound in Pakistan with all of his wives for 6 years. So he did suffer."
–David Letterman

I DON'T BELIEVE OSAMA BIN LADEN IS REALLY DEAD. I THINK IT'S A TURBAN MYTH.

Bin Laden was killed with a 25 million dollar bounty on his head. It's hard to go un-noticed carrying that amount of chocolate around.

AS OSAMA BIN LADEN ENTERED HEAVEN HE WAS GREETED BY HIS 72 VIRGINS. UNFORTUNATELY FOR HIM THEY WERE ALL PLAYING WORLD OF WARCRAFT WHEN HE GOT THERE.

"Al Qaeda says we're going to pay for Osama bin Laden's death. I'm pretty sure we did. We even took care of funeral arrangements. Maybe a thank you would be nice."
– Jimmy Kimmel

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

MERRY CUNTMAS

MUNGO, just what we all need to decorate our tree with – cute little vaginas. Won't Santa enjoy a little extra time at your place this year with these cuties!

RC, SOUTH HEDLAND, WA

MUNGO SAYS: Santa can get fucked. Breaking into peoples' houses, drinking all the beer and nicking cookies. Bloke oughta be locked up. I can just see him now, pissed as a lizard, trying to fuck those tree ornaments. Wait till the kids see him on Chrissy morning passed out under the tree with his crusty old dick out. Noice.

PUT YOUR CARDS ON THE TABLE

MUNGO, you're a man of the world, so settle a question about the rules of strip poker for us – if you're playing with a chick and she loses all her clothes, but then insists on playing on, what's the penalty if she loses again? My mate reckons it's a blowie, whereas I say it's a root. Your wise judgement, please.

G.L., TOOWOOMBA, QLD

MUNGO SAYS: Definitely a root. It's not called strip POKE-HER for nothing. As long as the rules are laid down before the game and everyone is clear on them, there shouldn't be any problem.

OFF YA FACE

MUNGO, I need your help. I have the idea of the century, I just need some development money to help me get it up. It's this – bicycle seats for babes, shaped like blokes' faces, with a tongue sticking up so they can get off while they ride. What do ya reckon Mungo? Is it a goer or what?

P.F., RENMARK, SA

MUNGO SAYS: Sounds promising. Tell ya what – for a small fee I'll let you use my face as the model. I've had plenty of chicks sit on it and I haven't had any complaints so far. Well, if I have, I didn't hear them, for obvious reasons. But – like Kim Kardashian's arse – this could be YOOOJ!

LETTER WITH A PICTURE **WINS $100**

YOUR WIFE'S A HO-HO-HO

MUNGO, every year my wife tells me if I've been a good boy, I'll get a really special pressie at Christmas, and I always think she's gunna get her spunky mate from work over and spring a threesome on me. But it's always just something like a new set of car-seat covers, plus the usual sock and jocks. How can she build me up like that every year just to let me down again?

M.L., NOWRA, NSW

MUNGO SAYS: I dunno, mate. Women seem to like Christmas a fair bit more than blokes, but they never get the pressie thing right. I always get a bunch of shit, then I have to go and buy myself something I really want, like a bottle of Bundy or a new oil filter for the Valiant. They've got no fucken idea. Best idea is to give the whole mess a swerve and stay in bed through to New Years.

So real you can almost taste them

MORE LIKE THESE, PLEASE

IN ANSWER to your Mungo Wants To Know in issue #1471 about best titties ever, I'm nominating Viola Bailey, who was also in that issue, as the owner of the best set of NATURAL tits ever. I've seen her in the mag before, but somehow this time those big, soft pillows of hers really rocked my world. I can only imagine what a tit-wank from those beauties would be like. That boyfriend of hers is one lucky bastard. And that brings me to my point – why can't you publish more chicks with natural titties instead of bolt-ons? I don't think I've ever seen a set of fakies that look anywhere near as good as Viola's, so do us all a favour and ban the bolt-ons!

MERV THE PERV, EASTLAKES, NSW

MUNGO SAYS: Come on Merv, don't be such an old fuddy-duddy. Some naturals here, some bolt-ons there – variety makes the world go round. Loosen the fuck up, for chrissakes. But it just so happens we've been working on a feature of big, natural norgenstarkenburgers which will appear in the next issue, #1473. So just hold on for a couple more weeks. It's coming!

MUNGO WANTS TO KNOW...

Elsewhere in this ish we have the winners of this year's Tockley awards, all richly deserved. But did we miss somebody? Nominate your fave for the readers' Tockleys and win fiddy!

SICK PICS

YOU WON'T BELIEVE YOUR EYES

MIGHTY WHITEY!

WHEN you're in a dinky little cage dangling 12 metres below the surface of the ocean, the last thing any NORMAL person would want to see is a two tonne, six metre great white shark. But – fucken WEIRDLY – that's exactly what Seppo shark boffin John Maher was hoping for. He had travelled to the Guadalupe islands, off the coast of Mexico, for three days on a project to identify individual great whites, so he was as happy as a PIG IN SHIT when this monster rolled into view. "I was about 40 feet away from the other cage," he recalled. "To the best of my knowledge, the shark I saw was one of the largest female great whites anyone had seen all season. She was as wide as a VW camper van." The big ol' whitey cruised around, sizing up John and his mates, possibly for breakfast. "I felt amazing while taking the photos," he said. "I would often put my camera down at my side and just study their beauty and behaviour and try to establish eye contact. Making eye contact with a great white shark is a spiritual experience."

BREKKY IN A BOX!

GET UP YA SOOK!

...AND DON'T BE A WUSS

WHO:
Seth Efrican waiter Shaun Wayne

WHAT:
A knife in the scone

WHERE:
Western Cape Province, SA

WE'RE sure South Africa's a very nice place, with plenty to see and do for the whole fucken family, but at times it seems to be just a little bit STABBY.

Local bloke Shaun Wayne can attest to that. The restaurant waiter was riding to work on his pushy in the town of Strand when, right out of the blue, some cunt ran out into the road and STABBED HIM IN THE HEAD.

And not just a little bit, either. It was a real proper stab.

Why it happened, we don't know. Maybe he didn't explain the daily specials properly. Or he put his thumb in someone's soup. Could've been anything.

The knife went a decent way in, and poor old Shauny had to have a nasty OPERATION to get it out, after which he was OK, apparently.

So that's nice. We hope he makes a complete recovery.

But in the meantime, GET UP YA SOOK, and bring us the wine list.

HEADCASE!

IN BED WITH KIKI

100% uncensored sex advice from Australia's hottest porn star!

BUM FUN

HEY Kiki. I'm a huge fan of yours and have watched all your movies. What are your thoughts about anal? I'm trying to convince my missus to try it, but she only ever seems curious when we are drunk? I love her to bits, but the sex is really boring at the moment and something like that would be great. I don't want to be pushy, but I really want to try it.

KRIS, VIA EMAIL

***KIKI SAYS:* Ah, fifth base! The downside to a little bit of arse fucking is that it can be quite dirty, it's not called fudge-packing for nothing! Of course in porno land we make it look quite glamorous and that's because we starve ourselves for two days prior, and douche our buttholes five times. I have a feeling your missus isn't going to do this for you, so... more wine anybody?**

FACE THE FACTS

ONE thing I've noticed in porn movies is that most scenes end with the bloke blowing his load over the girl's face. I've even seen a few where several men do this to a single young lady. My question is, do women really like it when fellas bust a nut on their face? And should a bloke ask permission first or just go for it?

SIMON, VIA EMAIL

***KIKI SAYS:* Simon, you are proof chivalry is not dead. Personally, I love a bit of cum on my face – with its skin-tightening nutrients, I reckon it's like a free facial! But do pre-warn a girl first! There have been some guys who haven't pre-warned me at all, leading to their goo landing in my eyes, which stings like fuck and then I get pink eye for a few days. When you do get round to doing it, it's best to aim at their lips or chin.**

"I LOVE A BIT OF CUM ON MY FACE"

MOUTHING OFF

I'VE been with my boyfriend for two years and there's only one thing he complains about and it's my ability to give head? How do I go about the perfect blowjob? I watch pornos and sometimes they look like the girl is torturing herself on the guy's cock. I don't think guys love all that gagging stuff, or do they? Anyway, I get a real power rush when I can get him off and I'd love any advice you have for me. Thanks.

L.M, BRISBANE, QLD

***KIKI SAYS:* Trust me, I used to suck at giving blow jobs. Now, I'm winning cock-sucking competitions across the world. My secret? I used to play a sex game called 'good or better' when I first got with a guy. When you go down on a guy, simply do one technique and ask him is this 'good or better'? Then switch to a different technique and ask him if it's good or better than the previous technique. Eventually you will know all the techniques he likes and you can mix and match them to give him mind-blowing head!**

KIKI'S CONFESSION

"Anal sex isn't something a girl can usually master overnight. The best way to start incorporating it into your sex life is to have your vanilla sex first, and as you are about ready to cum, switch holes (with her permission) and blow your load into her arse."

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to In Bed With Kiki, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to picture@bauer-media.com.au. She's waiting!

Little Caprice delivers big boners

TINY AND TONKABLE!

"I LIKE TO KISS AND TOUCH EVERYONE"

LITTLE CAPRICE had grand plans of becoming a nutritionist, but after discovering they get paid JACK SHIT, she decided to move onto the tried-and-true cash cow of making FUCKUMENTARIES.

"I couldn't afford the lifestyle I wanted," WHINGED the 28-year-old Czech. "Plus I love having sex, so it was a rather easy choice."

What's your fave kind of rooting?

"Passionate sex. Lots of kissing and looking into each other's eyes. But I do that more with my husband."

How about on-screen bonking – whaddya like?

"Doggy style. The guys usually have big dicks in porn so it's good to have them fuck me from behind as it penetrates me so deep and feels amazing."

Where do you like a bloke to WASTE HIS PASTE?

"It depends what kind of sex we're having. If it's doggy style then I love when he pulls out and shoots

up my back and on my arse. But if he's facing me then I like it inside me, I love the feeling of a man's pulsating cock as he comes."

What kind of blokes get you gagging for it?

"I like men who are manly and can do manly things, like fix stuff and keep me safe, but who are also kind and sensitive to my feelings. Looks are not so important if they have these qualities."

Bloody hell, coupla boxes to tick! Do you like to hit the town for a glass of chardy?

"I don't know what chardy is, but I like to go out with my friends for cocktails or sometimes with my husband for dinner and some wine."

Are you a rowdy drunk?

"I get drunk very quickly. When I've been drinking I get touchy, I like to kiss and touch everyone and I have very loving feelings towards whoever is with me."

Wanna drink?

"IT'S GOOD TO HAVE THEM FUCK ME FROM BEHIND"

MY ADVENTURE FUCK

READER'S ROOTS FROM AROUND OZ

MOUNTIN' MAN

MY VERSION of trekking used to be a weekend binge-watching Star Trek, but then I started going out with this babe who was into adventure holidays, rock climbing, stuff like that. I lost my beer gut, got fit and started having some of the best sex ever in some pretty strange places. Just put Julie somewhere like a jungle or halfway up a mountain and her smoo would start dripping.

It all built up to a trip she'd been planning for years – trekking in the Himalayas. I was a bit thanks-but-no-thanks about that, not fancying the cold, but when she said the idea of fucking with a view of Everest got her super horny, how could I say no?

So we spent weeks trekking into the mountains with this group, and we realised it was gunna be quite difficult with the other people around.

But Julie wouldn't be stopped – one morning we awoke before anyone else was up and sure enough, when we stuck our heads out the tent flap, we could see Everest. I stuck my hand down her pants and it was like a swamp down there and I knew we had to do the deed.

It was still fucking freezing, so we arranged ourselves with our thermals down around our knees and our heads sticking out of the tent so we could see Everest. As soon as I steered my cock into Julie's waiting vadge she started moaning.

Inside her snatch it was about 100 degrees warmer than the outside air. She was really pumping her hips up and down as I gave it to her, and using her smoo muscles to grip my cock.

We knew we didn't have much time before a) our arses froze and b) everyone else was awake, so we went hard until we both came like fucken trains.

When I pulled my cock out of her, steam was coming off it. Now that's a hot fuck!

ISLAND FEVER

I WAS a horny young chick backpacking around the world when I met Anders, this mad Dutch bloke who only seemed to own a pair of shorts and a couple of T-shirts.

We were crewing on yachts around the Caribbean, and I jumped his bones straight away. I didn't care that in the crew quarters everyone could see. I was 21-years-old, it was the tropics and I was keen for the peen.

Then Anders asked if I was up for an adventure. A yachtie mate of his knew this island where he could drop us off for a week with some supplies and we'd have the place to ourselves.

Fuck yeah! The next thing I knew me and Anders were watching this guy sail away, leaving us on this perfect beach. Naturally the first thing we did was strip off and have fuck in the shallows. Anders had a nice fat cock and really knew how to use it, bringing me close to cumming before backing off, then ploughing me again, while at the same time I could feel the water lapping around my arse. It was great being fucked out in the open instead of bumping my head below decks on a yacht.

From day one we ditched our clothes and went around starkers and that led to a lot of spontaneous sex. I'd be bending over looking at something and Anders would get a glimpse of my hairy snatch – I was a bit of a hippie back then – and slide his cock into me.

Or we'd be walking along the beach and I'd see his cock swinging from side to side, get juiced up and drag him down on top on me.

We must've fucked four of five times a day for the whole week, and by the time the bloke came back to pick us up, I was sunburnt all over and my tight little coochie was very sore – but very happy!

ROOT ON A RAFT

WHITE water rafting was something I'd always wanted to have a go at, so I signed up for a three-day trip in northern NSW.

There were two Italian chicks on it as well and right off the bat I was cracking a fat one over Francesca.

She was dark-skinned, with a big smile and great tits and the sexual tension between us ramped up day by day. I wanted to sneak off for a wank to relieve the pressure, and I got the impression she felt the same.

Then one day we were having a rest in the arvo, with the rafts pulled up on a sandy bit of bank. While the others were setting up camp, Francesca and I had the same idea at the same time, and jumping into one of the rafts, we pushed out into the river.

We lay down on the floor, pulled each other's clothes off and started to fuck, her with her legs spread and propped up on the sides of the raft and me on top holding on to the oars. Francesca was pumping away underneath me and everything was going great, when the raft began to pick up speed as we got into the current. It started to jump around a bit, but that only made it better.

Then I lifted my head up and noticed were we heading for a little series of rapids, and it was too late to try and row out of it. Francesca wrapped her legs around my waist and squealed in delight as we bounced over the rapids with my todger still inside her. It did the trick for her and she came, but I had to wait until we got to shore so she could wank me off all over her beautiful tits.

That tied us over until we got back to Coffs and checked into a motel.
